## Lancashire Area Newsletter

### March 1998

EGM of the British Judo Council,.

Took place on the 1st March 1998 with a short agenda. The main item was a discussion on the proposed new company to be set up to manage sales & promotions. The debate was lively, interesting and at times a little heated, as words used to punctuate a point were sometimes ill-chosen.

The main reason for new set up was, as the protagonists argued, to do away with delays in getting on with ideas and ventures. The Hqc meets 4 times a year and a lot of business does not progress simply because those who volunteered to do job had not done it for

whatever reason. Being unpaid volunteers it is and was difficult to demand why was this not done ?

Also we have had Hqc members in the past who were very sensitive as to their position as members of the Hqc , for example, I once had an idea for a venture that would incur printing costs. I went along to the meeting with the idea, (yes it on the agenda as an item), together with my research into costs etc. Lo and behold I was told in no un-certain terms that I should have first come to the committee with the idea, got the approval, then gone out and obtained the costs, then report back for approval of the costs ! I could quote many another example.

The discussion on the new company lasted almost two hours so it was well aired. In the final analysis the meeting indicated their approval, by means of a straw poll, of actions taken by the Hqc in proceeding with the new company.

One point of referance was raised with regard to Protrac.

John Harrison gave a concise commentary of the success in achieving the NVQ with open access to all judo coaches regardless of which association they belonged to. He made great play of the fact that Protrac were delivering the NVQ Level 2 Coaching award. This seemed to go over the head of Mick Player who a few moments later informed the meeting that only the BJA were able to deliver the NVQ (something that the BJA do not claim. ) . Mick's statement was greeted with amazed silence and the meeting moved diplomatically onward to the next speaker

There was also a resolution to amend the Memorandum of Articles of association of BJC. This when put to the vote resulted in 32 for , 1 against , and 1 abstention.

President R.Otani closed the meeting at 4.10 p.m. thanking all

## ODE TO ST. SEBS.

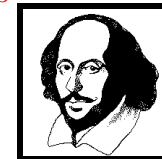

Advertisng St Sebs was thought a good plot  
 Denis made leaflets, in fact quite a lot  
 It was middle of January, the weather was cold  
 With leaflets to post they had to be bold  
 They all wrapped up warmly as they left their homes  
 I thought, not likely I'll bake some more scones!

We hoped it would be alright on the night  
 Lots of people would come and learn how to fight  
 We were all so pleade for Denis, what a fellow  
 It was more exciting than a concer by Marti Pellow

The atmospheare was tense would anyone come  
 down  
 Chris & Carol were there with a very worried frown  
 But soon familiar faces we were happy to see  
 They said St. Sebs in the only place to be

It all went well and lots of people came  
 To close the club down had been a terrible shame  
 But now we're back in business and raring to go  
 So "Heres to St Sebastians" let everyone know.

## Grand Re-Opening of St Sebastians Judo Club.

Dear Editor,

A short report on the re-opening of St Sebastians Judo Club, the doors opened at 7 p.m the 27th of January. 27 juniors and 2 seniors were pressed excitedly to the doors clamouring to get in. The rush of course was to get fixed up with a suit for the evening that fit nicely and not like an ex -army fatigue outfit.

The mat was laid and we were ready to go. Thankfully Mr & Mrs Newton, Mr & Mrs Dohert had arrived with some of their experianced pupils to help get the newcomers sorted out. This removed quite a lot of pressure and we were able to move into the first session. This began with a few words about what they would be learning, amply demonstrated to oo's and ah's. Then into the dreaded breakfalls. I always ask myself, " why am I here ?" when teaching beginners breakfalls. At least on this occasion I was not alone and this part of the lesson went fairly smoothly.

We then progressed to Ippon-seoi-nage and Osoto-gari. followed by a couple of hold-downs and finally a Shot Game (? with or without pistols ?Ed). It all seemed to be over very quickly, much to the diasappointment of a few, but there were some that looked a little weary. (Denis, Moi, Tony, Chris, Carol, James. Stephen).

I thank them all for their assistance, not forgetting the ladies at the table, Eve and Sheila plus the person who had the worst job of all sorting out the suits at the beginning, our Clare (the fringe) Croakley, ably assited by Ian.

Happy to say the 14 came back the following week, some of whom enroled officially into the club. Hissing Sid was hissing somewhere else.

Report by Denis Brooks.
